

**The Tuscarawas County Macintosh Users Group
Tuscarawas County
Ohio
2010-2011 Scholarship Guidelines**

The Tuscarawas County Macintosh Users Group (TCMUG) is offering one scholarship in 2010-2011 school year. The scholarship is for \$250.00.

All applicants must meet the following criteria in order to be eligible:

1. Graduate with a high school diploma, or equivalent, in 2011.
2. Currently legally reside and attend school within Tuscarawas County, Ohio.
3. Attend college or other higher education program as a freshman in the summer or fall of 2011.

Scholarships are offered for the best use of an Apple computer and/or software in an Arts, Humanities, Mathematics or Science Project. Projects eligible for consideration must have been completed while in high school, or equivalent, for example GED or home school. Project areas could include journalism, graphics design, video, photography, music, science fair entries, classroom semester assignments, independent studies for high school credit, as well as many other school sponsored projects completed while earning high school, or equivalent, credit.

An Apple computer and/or software must be used as fundamental tools in the project. Although computer programming may be one of the elements a student includes in their project, it is emphasized that programming is not a necessary consideration for submitting an entry. The primary judging criteria are the creative, innovative and multifaceted use of an Apple computer as a key tool in development and/or presentation of the project.

Applications must be post marked by April 30, 2011, and must include:

1. A TCMUG scholarship application form.
2. A 100 to 300 word summary of the project with required points, and
3. Two letters of recommendation for each applicant. (It is recommended that at least one of the references be from a teacher or project mentor. We suggest persons familiar with your work on this project make the recommendations, but it is not necessary to limit their recommendation to only that subject.)
4. College or higher education program you plan on attending. Please provide a copy of your acceptance letter.

No application postmarked after the above date will be considered.

Incomplete applications and/or attachments will not be considered.

Applicants may be called for an interview before the scholarship selection committee for final consideration.

As a condition of the scholarship, recipients are required to make a presentation of their project at a TCMUG membership meeting.

The scholarship award will be given when we receive a copy of your class schedule.

All decisions by the TCMUG scholarship selection committee are final.

Copies of applications and guidelines for the scholarship may be obtained at the TCMUG web site www.tcmug.org.

Kevin Warrene may be contacted at kwarrene@tcmug.org to answer questions or provide further guidance.

Mail applications to:

TCMUG Scholarship Committee
C/O Kevin Warrene
P.O. Box 303
New Philadelphia, Ohio 44663

TCMUG offers scholarships annually to encourage the creative use of Apple computers in education and promote higher education endeavors.
